

## DEAN SIKES

Always Hope.

March 8, 2023

To Whom it may Concern,

It is my pleasure to write this note of recommendation on behalf of Dr. David Weeter and his teaching ministry. Out of respect for your time, I'll be brief.

David and I have been friends since 2005. Not long ago, David was a guest on our *YOU MATTER* Television broadcast and as we taped several programs together, his anointing to teach faith was so very evident. He has a special gifting from the Lord to open the Word and teach principles that, when applied to our everyday situations, can be used to literally change our lives.

Through all of these years, I've watched as David has boldly lived what Jesus taught us in John 15:13 - "*Greater love has no one than this, than to lay down one's life for his friends.*"

As David has, and today continues to, faithfully serve as Brother Kenneth Copeland's Armor Bearer, he has and continues to display a *greater love* for the Lord and for Brother Copeland. With this ministry assignment, David has criss-crossed the globe, helping to insure the Gospel has been preached to people from all walks of life and from every imaginable social class.

In more recent years, the Lord has promoted David into his own traveling ministry where his years of serving and soaking in the Word are so very evident. In addition to continuing to serve Brother Copeland, David and his wife, Lynn, now host their own weekly, national television broadcast and they are traveling across the country in their own teaching ministry - effectively ministering faith in churches and Christian conferences.

Should you have the opportunity to have David and Lynn come minister in your church, I'd strongly encourage you to do so - I believe you'll be thankful you did.

God bless you -

---
