

HAPPY CALDWELL

To whom it may concern:

Several years ago, Kenneth Hagin was speaking of my friend Charles Capps and said, "Charles Capps is a pure faith minister".

This statement could also apply to David Weeter and his wife Lynn.

They have been mentored by Kenneth Copeland, traveled with him for many years... and take the same approach to teaching and sharing the word of faith.

David and Lynn are endeavoring to obey the Holy Spirit at this time in their life by expanding their outreach to more churches and conferences.

If you would allow them to minister to you or your congregation, they would be a refreshing and a blessing to you.
