

KENNETH COPELAND MINISTRIES

May 23, 2023

To Whom It May Concern:

I have enjoyed a very close relationship with David Weeter for over 20 years, not only as a ministry friend, but also as a dear personal friend. David has ministered to our Partners and friends through his program, Covenant Living, on the Victory channel since January of 2022. I have seen firsthand the quality product of his preaching and teaching of the Word of God.

The anointing God has placed on him reflects great grace to all to whom he ministers the Word. David is called to teach people how to face their problems with faith to see the victory that God has planned for them. I believe David Weeter can add tremendous value to what you are trying to accomplish. Therefore, I wholeheartedly recommend David to you as a guest speaker. He has BLESSED my life and I know he will BLESS your audience as well.

JESUS IS LORD!
